

# HIRPARA KRUSHAL MANSUKHBHAI

Surat | krushalhirpara.connect@gmail.com | +91 9662792179

## SUMMARY

B.Tech CSE student (8.02 CGPA) skilled in C, Java, Python, JavaScript, and Linux. Hands-on experience in front-end development and cybersecurity through internships and real-world projects. Demonstrated leadership, teamwork, and communication skills as a Google Student Ambassador.

## WORK EXPERIENCE

### Google Student Ambassador

Sep 2025 - Present

Google / Vadodara, Gujarat

Led university tech events and community initiatives, promoting Google programs. Demonstrated strong communication, leadership, and student engagement skills.

### Cyber Security Intern

Oct 2025 - Present

Elevate Labs / Virtual

Performed network and web application vulnerability assessments, supported threat analysis, and prepared security reports to enhance system security.

### Front-End Development Intern

Aug 2025 - Oct 2025

IBM / Virtual

Developed responsive web pages using HTML, CSS, and JavaScript, improving UI/UX and collaborating with team members for project delivery.

## PROJECTS

### Real-Time Weather Dashboard with Forecast Visualization

Technologies: HTML, CSS, JavaScript, Leaflet.js, OpenWeather API, Geolocation, Responsive Design

Built a responsive dashboard displaying real-time weather data, 24-hour and 5-day forecasts, and interactive map-based location visualization using Leaflet.js and geolocation for enhanced user experience.

### Finance Tracker Web App

Technologies: HTML, CSS, JavaScript, Node.js, MongoDB, Groq API

Developed a full-stack personal finance management web app with real-time expense tracking, budget planning, and interactive financial dashboards. Integrated Gemini API to provide AI-driven spending insights, financial advice, and personalized budget recommendations.

## EDUCATION
